Final Project

Goal: Write a Java Project that

1. Implement a game project (Big2 Game, client server game, ….) with OOAD

2. Implement an information system with DB server.

Todo:

1. Write your Java (with DB) application
2. Present and record (EverCam) your work with MS PowerPoint.
3. Upload your code, ppt and recorded vedio to Tronclass under final

Possible information system (Java with DB)

- Analyzed, design and implement information system with DB
  - 高鐵線上購票網
  - e-learning
  - 民宿網
  - 線上(網路)購物網: Pchome/TaoPao/3C
  - On-line banking
  - Medical Information System
  - 第三方支付系統　　　　(e.g. paypal, google wallet, ezpay)
  - 人力銀行資訊系統　　(e.g. 1111 or 104)
  - 網路拍賣資訊系統　　(e.g. PChome)
  - Facebook資訊系統
  - Line資訊系統
